

Set in a glorious location, The Yorkshire Bridge Inn is an ideal base from which to explore the exceptional beauty of the Peak District. It is also a great place to enjoy a drink and have some very good food!

The quality and integrity of our food is something special. We have fine food prepared to order using fresh local produce. We support local suppliers and always seek out new produce. We have a wide menu, complimented by a selection of daily specials, and the emphasis is always on top quality and good value. There is a great choice of beers as well as an imaginative well priced wine list with something for everyone and a good selection by the glass.

We have 14 bedrooms offering comfortable accommodation, as well as a variety of bars and dining areas with a friendly atmosphere enjoyed by visitors and locals of all ages. We recently added 5 star self catering apartments to our accommodation portfolio. Ladybower Apartments are located in the recently restored former pump house to the reservoir, just across the road from the Inn.

Our award winning success and desire to please our guests go hand in hand. Together with our friendly, loyal and helpful staff, we will endeavor to make your stay a real home from home.

Or choose a more meandering route through the Derbyshire Dales and Peaks to Bamford.

The Yorkshire Bridge Inn is 1 mile from the nearest shop and 2 miles from Bamford mainline station

WE WISH YOU A SAFE AND PLEASANT JOURNEY

A Traditional Country Inn
set in an Idyllic Location in
the Heart of the Peak District

With a magnificent backdrop of some of the most stunning scenery in the Peak District National Park, the Upper Derwent reservoir area is a simply spectacular location and is considered by many to be the jewel in the Peak District's crown.

The Ladybower Reservoir is the largest of the Derwent Dams which are famed for the Dambuster training runs and for the story of the two villages, Ashopton and Derwent, which were sacrificed to make way for the waters of the Ladybower Reservoir.

The Yorkshire Bridge Inn is an award winning traditional country inn, privately owned and managed by the Illingworth family since 1997. The Inn is set in a glorious location in the Peak District National Park, just a short stroll from the Ladybower Reservoir amidst wonderful walking country, woodlands and a profusion of wildlife.

Guests can enjoy relaxing in the beautiful surroundings, strolling around the reservoirs or taking in one of the many cycle trails. For the more energetic there are numerous outdoor activities and some of the best walking in the country. The Chatsworth Estate, Haddon Hall and the market towns of Bakewell and Buxton are all close by.
